5) The increase proposed was, take the form of a Personal allowance so long as the present incumbent remains there. So far as one can see there seems to be no other better paid appt. to which this official can aspire failing some increase to his pay in the same appt. As the Local Board have strongly recommended this promotion, I think we should grant it whatever we may call it.

10 Under the G.O. of 8-4-1905 the Ml Overseers, Darogas and Work Inspectors should be absorbed or superseded by Sanitary Inspectors. It is ~~[illegible]~~ not clear why the Sanitary Board have not replaced the ~~Sanitary~~ Work Inspector by a Sanitary Inspector. No encouragement can be shown to the Work Inspector unless he trains himself up as a Sanitary Inspector.

SECTION L.B
FILE No. 228/12
SERIAL No. 1

Office of the President,
Kolar Gold Fields Sanitary Board,
Dated, Champion Reefs, the 4th March 1913.

From

P. F. Bowring Esquire,
President, Sanitary Board, Kolar Gold Fields.

To

K. R. Srinivasiengar Esquire, M.A.,
Officiating Secretary to the Government of
His Highness the Maharaja of Mysore,
General and Revenue Departments,
Bangalore.

Sir,

I have the honour to state that the preparation of al plans and estimates and bills for all public works carried ou by the Sanitary Board as well as the immediate supervision of the execution of the works is entrusted to a work Inspector whose pay is Rs.25/- plus 10/- . As the Board spends on an average from fifteen to twenty thousand rupees a year on publi works carried out by its own agency, it will readily be seen that the Work Inspector's duties are extremely arduous and his responsibility is very great. He combines in himself the functions of a draughtsman and a Sub Overseer.

2. The present incumbent of the post has served th Board for more than 10 years. Shortly after he was appointed, the President of the Board proposed that his pay should be raised from Rs.25/- to Rs.35/- per mensem and the proposal was approved by the Board at its Meeting held on the 17th Novembe 1902. A copy of the resolution is annexed for ready reference For some reason or other, the proposal was not submitted to Government and the matter seems to have been lost sight of.

3. The subject was again considered by the Board at its Meeting held on the 28th February 1913. In view of the very responsible work devolving on the Work Inspector and the satisfactory manner in which he has performed his duties for the past ten years, the Board recommends that his pay may be raised from ₨.25/- plus 10/- to ₨.35/- plus 10/- with effect from the 1st July 1913 and has provided for the increase in the Budget Estimates for the year 1913-1914. Copy of the Board's resolution is enclosed.

4. I have the honour to request that sanction of Government may kindly be obtained to the Board's proposal.

I have the honour to be,
Sir,
Your most obedient servant,

For President, Sanitary Board,
Kolar Gold Fields.
